Constellations Camp 10 - 14 August

**Sing, dance, enjoy community and grow in spirit in a beautiful location on the Somerset and Wiltshire border**

[unicornvillagecamps.co.uk](http://unicornvillagecamps.co.uk)

**Our camps are held in wild flower meadows on the Somerset and Wiltshire border near Bradford-on-Avon. They are vibrant, fun and peaceful events where children, teenagers and adults can find friendship, creativity and community. We camp in circles around campfires in a quiet acoustic environment. We have hot wood-fired showers, compost toilets and a welcoming café.**

**There is a full programme of wonderful events and workshops throughout each day and into the evening led by experienced and inspiring teachers and facilitators. They are held in large marquees, carpeted yurts and colourful big tops. Children and teenagers have their own dedicated teams providing activities, workshops and games. All workshops, facilities and firewood are included in the ticket price.**
